- *Learn the vision and goals of the Promoting Student Resilience Grant Program*
- *Learn the key content areas related to the grant*
- *Assess project needs*
- *Learn about technical assistance and training supports available to grantees*
- *Begin to establish grantee peer to peer network*

October 26, 2016 – Day 1

Joint Session with *Project Prevent* and *Promoting Student Resilience* Grantees
Room: International C, International Level, Hyatt Hotel

1:00 – 1:10pm Welcome

Nicole White, Project Prevent Project Officer, Office of Safe and Healthy Students, ED;
David Esquith, Director, Office of Safe and Healthy Students, ED

1:10 – 1:30pm Lessons Learned from Project Prevent Grantees

Facilitator: Sandy Williamson, Project Director, National Center on Safe Supportive Learning Environments (NCSSLE)

Meet the Project Prevent grantees and learn as they share 1) their successes and 2) their lessons learned.

1:30 – 2:00pm BREAK/Transition to Hyatt Conference Room

**Promoting Student Resilience Session
Room: Directors ABC, Lobby Level, Hyatt Hotel**

2:00 – 2:10pm Welcome and Introductions

Sandy Williamson
Director, National Center on Safe Supportive Learning Environments

2:10 – 2:25pm Overview of Vision and Goals of Promoting Student Resilience Grants

David Esquith, Director, Office of Safe and Healthy Students (OSHS)

2:25 – 3:25pm Highlights of Promoting Student Resilience Grants

Rob Mayo and Britt Parham, Technical Assistance Specialists

Grantees will have an opportunity to share information about their projects. Each project director will have about 10 minutes to share the following information, followed by open group discussion regarding common themes/needs looking ahead to Year 1 of the grant.

1. PD Name
2. PD's role in the district/this grant
3. The priority needs of the district related to Promoting Student Resilience grants
4. The participating community agencies/partners in the project
5. The potential challenges and needs of the project

3:25 – 4:00pm Government Performance and Results Act (GPRA) and the Logic Model Refinement

Greta Colombi, Deputy Director, NCSSLE

Discussion of the GPRA measures, refining your logic model, calculating targets, reporting actual data, establishing expectations for your evaluation, and defining what you will need to report and when.

4:00 – 5:00pm Technical Assistance Resources and Activities

Sandy Williamson, Director, NCSSLE

Grantees will be provided with information on their dedicated support team; website; shared workspace; training and technical assistance opportunities and discuss how these activities can best meet their needs.
